

SOUTH GLENGARRY

Mac's Marina, located in beautiful South Lancaster, Ontario, opened in the late 1960's and was subsequently purchased by Weaving Baskets Group (WBG) in 2015.

The Marina was purchased, along with the former Lancaster Inn, with the vision to update and enhance the landscaping and esthetics of the property. Since WBG's purchase, the shoreline has been restored, many docks have been upgraded and an additional 21 docks (42 slips) were added to the west of the property.

Mac's Marina offers a wide variety of services for boating beginners and veterans alike.

Boasting the largest shoreline in the region with over 150 docks available for rental, Mac's offer boathouses, covered and open docks, and boat ramps for launching your vessel. The Marina is full-service offering Shell V-POWER Gasoline, dock rentals, boat repairs, along with a store that offers everything you'll need for a great day on the water, whether you'll be boating or fishing.

Boating launch passes, summer and winter storage and on-site mechanic services are some of the added benefits that are also offered by the Marina.

Future development plans include rebuilding the boathouses, covered docks and the storage building.

With its beautiful peninsula and shoreline, Mac's Marina boasts an astonishing waterfront. Stop in to see it for yourself and while you're there, enjoy a meal at The Smokin' Bull Waterfront BBQ Smokehouse, located directly to the west of the marina or browse for a new camper at Suntan RV & Marine, located on the Marina property.
