

Another Successful Williamstown Fair

The Williamstown Fair has once again proven the strength and spirit of our community. Despite the challenging weather conditions on Friday, the fair was a huge success, thanks to the collective efforts of dedicated volunteers, fair board members, community partners, and vendors. Their commitment ensured that the event remained a vibrant celebration of our local culture and traditions.

A special thanks goes out to everyone who contributed their time and energy to make this year's fair memorable. Your hard work and enthusiasm created an atmosphere of joy and togetherness that weathered the storm.

Be sure to check the upcoming Fall/Winter Community Guide, where we'll be featuring a special community spotlight. The guide will include an interview with Neil Dixon, President of the St Lawrence Agricultural Society, who will share his thoughts on the fair and the future of our local agricultural community.

Don't miss it!
