

# SOUTH GLENGARRY

Rogers Marina, family owned & operated for over 65 years, is located at 19442 County Road 2 in Summerstown, Ontario.

The marina's rich history dates back to 1954, when Roger Allaire and his wife Beatrice Beaudoin purchased the property from Roger's father-in-law, giving the marina its name. By 1974 their daughter, Lise, and her husband, Rene Struthers, became owners. Their son Yves and Nancy took over the marina in 2010, continuing the family business tradition.

Yves and Nancy have made numerous upgrades since, and have subsequently created a full service marina.

Yves and Nancy are well-known in the area, and their marina enjoys a loyal and engaged client base, reflecting their operational style.

Roger's Marina features a dock, boat launch and fuel sales, and offer customers seasonal or daily passes. The marina is a popular location for fishing and presents an attractive destination for visitors from near and far. They are suppliers of boats, boat parts and accessories, and sell apparel and snacks. Their recent showroom expansion added space to showcase watercraft as the marina is a certified dealer for Kawasaki, Lund, and Mercury boats. Purchase are offered one-on-one test drives by the marina staff to demonstrate the ease of maneuverability and operation of each watercraft. Roger's Marina publishes their own marina catalogue offering a wide array of boating accessories for customers.

The marina additionally boasts a 4-bay garage, providing year-round service and repairs for clients. Canvas repairs and custom fabrication is also available, as well as the repair and replacement of boat interiors during the winter months.

Nancy and Yves have ambitions of creating an activities centre, offering rentals and tours to visitors, attracting tourism. They already promote local activities and amenities to their customers, so they too can enjoy the beauty of South Glengarry.

Nancy and Yves are very passionate about their business and are always looking to meet new people. If you're at all curious or have any interest in boating, they would be more than happy to take the time to tell you about their fabulous location and business.
